

KONA

Be NIMBLE!

nim-ble ['nɪmbl]

1: quick and light in motion: AGILE

2 a: marked by quick, alert, clever conception

From driving performance to convenient features,
enjoy a livelier driving experience with a more agile,
smarter, the new Kona.

Inspiration (Surfy Blue / Phantom Black Two-tone)

Feel the contagious energy even on the streets you pass.
A new joy in life begins with the touch of vibrant color.

Design

More powerful and stylish with Hyundai values that look to the future,
Refined and richly-detailed with a high-tech vibe, the new Kona is
a demonstration of perfection.

Inspiration (Misty Jungle / Phantom Black Two-tone)

Front Design

Black High-Gloss Radiator Grille
MFR LED Headlights

LED Rear Combination Lamps
18" Alloy Wheels & Tires

Rear Design

Kona's more dynamic contours add volume while its wider chassis and robust bumper design bring greater stability. Sharp edges between the radiator grille and the hood create a nimbler look and are evidence of Hyundai's future-oriented design.

The center fascia has been trimmed down to offer a visually wider and more comfortable space with its bold horizontal structure, while creating a more luxurious vibe with all-new interior mood lights, and a larger cluster navigation display.

10.25” Full LCD Cluster Display
The wider 10.25” cluster LCD display offers better visibility and a more enjoyable driving experience thanks to unique graphic displays.

Interior Mood Lamps
Interior mood lamps installed around the cup holder inside the center fascia and around the leg area at the front seats create a soft, luxurious ambience combining perfectly with the interior lighting.

10.25” Navigation
The large HD monitors with multitasking 10.25” navigation provides state-of-the-art, user-friendly conveniences including multiple connections and wireless updating.

Full Auto Air Conditioner (Air Purifier Mode)
The fully automatic air conditioner independently adjusts the airflow to provide a level of comfort according to the set temperature, while also filtering and dehumidifying the air for set durations.

* The images of the Infotainment System screen are subject to change due to regular updates.

The passenger seat walk-in device and rear seat folding feature allow for greater use of space and convenience. Enjoy the space for all your daily needs.

Passenger Seat Walk-in Device
The passenger seat walk-in device means the driver or rear-seat passengers can adjust the front passenger seat to open up more cabin space.

Rear Seat Armrest
The rear seat armrest—with embedded cup holders—is conveniently placed in the center for rear passengers.

Rear-seat USB Ports
Passengers in the rear can charge their mobile devices through the USB port behind the center console.

KRELL Premium Sound System
A premium sound system from KRELL, winner of numerous audio awards, delivers precise, spatial, and dynamic sound.

Inspiration (Grey Color Package, 4WD)

Convenience

Kona’s driving experience and state-of-the-art convenient features make your tasks go faster and you work smarter.

Hyundai Digital key

Use the Hyundai Digital Key on your phone to lock and unlock your doors and even start the engine without a separate physical key. Digital Key both recognizes and offers individualized services to multiple users.

* Hyundai Digital Key is available on NFC-enabled phones only. Visit the Hyundai website to view the current list of supported devices.
* Apple’s limited support for NFC technology does not allow the smartphone-based Hyundai Digital Key to be used on iPhone.
* The images of the Infotainment System screen are subject to change due to regular updates.

Personalized Profiles

Either select your own personalized profile from the Infotainment System screen or unlock the vehicle with your digital key to enjoy automatic recognition and your settings in the driving environment—including infotainment.

Head-up Display (HUD)

All the important information you need for driving is projected through the combiner on top of the cluster display right at your line of sight for easier access to navigation while driving.

Wireless Smartphone Charging

Enjoy fast charging without the need for cables, and a phone sensor alarm that alerts you when your phone is left inside.

Hyundai CarPay

Register your credit card with the Hyundai CarPay app to use at affiliated stores and other businesses without the need for your actual credit card. With a simple tap on the navigation display, you’re able to pay for fuel, parking and more.

Built-in Cam

A video recording device with high-resolution cameras mounted front and back allows easier recording of driving and includes time lapse and event modes. Recorded video can be viewed through the infotainment system, which lets you play, zoom, download, and even post through your smartphone apps.
* Built-in cam supports recording while driving and stopping. Parking mode recording is not available.

Performance

Adhering to the essence of pure functionality in a vehicle so that you can drive as much as you like, and in the way you want.

Experience the vastly improved Kona and its one-of-a-kind driving performance

Smartstream 1.6 Turbo Gasoline Engine

198	Max. Output PS/6,000rpm	27.0	Max. Torque kg·m/1,600~4,500rpm
13.9	Combined Fuel Economy km/ℓ (7-speed Dual Clutch Transmission, 2WD, 16" Tires)		

Smartstream 2.0 Gasoline Engine *Not available on the N Line

149	Max. Output PS/6,200rpm	18.3	Max. Torque kg·m/4,500rpm
13.6	Combined Fuel Economy km/ℓ (IVT, 2WD, 16" Tires)		

N Line Inspiration (Ignite Flame / Phantom Black Two-tone)

2WD Multi Terrain Mode comes as a standard feature for enhanced driving stability on rugged terrain, and improved absorption and insulation materials were applied to the frame and parts for reduced external noise and a more luxurious vibe.

2WD Multi Terrain Mode
Set your vehicle to multi-terrain mode with the traction mode's jog dial on the floor console. Turn the dial left or right to select driving conditions: Snow, Sand, or Mud. The engine and brakes then adjust to your selection for maximum performance on the surface conditions.

Paddle Shifter
Enjoy a sporty drive without having to take your hands off the wheel. Take advantage of the quick shifting made possible with Kona's paddle shifter.

Reduced Wind Noise
An added layer of sound insulation film on the windshield helps reduce wind noise while the vehicle is in motion.

Reduced Road Noise
Absorbent inside the doors, fillers, luggage trim, and wheel guards improve shielding of the interior and insulation from outside noise.

Safety

Kona’s safety features include a more advanced driver assistance system that protects driver and passengers from the unexpected.

Safe Exit Warning
Alerts the driver of any vehicle(s) approaching at speed from the rear or sides after the Kona has stopped and one or more of its doors begin to open.

Rear Occupant Alert
Detects when a rear door opens and closes to determine if passengers are present. If the driver opens the door after the engine is switched off, a warning message is displayed on the cluster and an alarm sounds to remind the driver to check the rear seats.

Hyundai SmartSense

Forward Collision-Avoidance Assist
Alerts the driver of the potential for a forward collision when vehicles in front suddenly slow down or stop, or pedestrians or cyclists appear in front of the vehicle. It also assists in activating brakes in the event of an impending collision.

Blind-Spot Collision-Avoidance Assist
Alerts the driver of the potential for a collision from the blind spot when the turn signal indicator is switched on for lane changes, and assist in avoiding a collision by differential braking if necessary.

Driver Attention Warning
Monitors and displays the driver’s attention level, issuing warning messages on the cluster display and sounding an alarm if the driver’s level of alertness drops to “inattentive”.

Hyundai SmartSense

High Beam Assist
Automatically switches high beams on or off in consideration of oncoming traffic while driving at night to reduce the need for adjustment, thereby protecting safety of the driver and of the people in oncoming vehicles.

Navigation-Based Smart Cruise Control
Ensures safe driving once it is switched on, by automatically adjusting vehicle speed on the highway. The smart cruise control recues vehicle speed automatically within safe driving zones and curved sections of the road and resumes back to the speed set by the driver once the vehicle exits such areas.

Lane Following Assist
Helps with steering to keep the vehicle within the chosen driving lane.

Rear Cross-Traffic Collision-Avoidance Assist
Monitors the rear areas to the left and right when the vehicle goes in reverse and alerts the driver of any approaching traffic on either side. It also assists in activating the brakes, if necessary, to avoid an impending collision.

Highway Driving Assist
Helps maintain a safe distance on the highway from the vehicle in front, steering the Kona so it remains centered on its lane at a speed preset by the driver.

N Line

The nimble Kona N Line has been modified and tuned for more dynamic reception of steering and suspension. Enjoy the sporty, dynamic driving experience exclusive to and capturing the higher performance of the Kona N Line.

N Line Inspiration (Ignite Flame / Phantom Black Two-tone)

N Line Inspiration (Black One-tone (Red Accent), 4WD)

* The images of the Infotainment System screen are subject to change due to regular updates.

The N logo and sporty details of the fiery red trim create an exclusive interior and express dynamic energy.

N Line Exclusive Design

The N Line exclusive mesh radiator grille and a sporty bumper that highlights the front air curtain accentuate superior performance.

N Line Exclusive 18" Alloy Wheels (235/45R18)

Stylish diamond-cut wheels—exclusive to N Line—accentuate Kona's powerful and dynamic image.

Dark Chrome Bezel LED Headlights

Dark chrome trim applied to the bezel of LED headlights brings out N Line's sophistication, modern vibe and high-performance image.

N Emblem Gear Knob

The easy-to-grip and responsive gear shift, with the red-accented N emblem on the knob, puts a dynamic driving experience within your control.

Hybrid

Always radiating brilliance and energy, just like you
Kona Hybrid brings joy and pleasure to everyday life.

Hybrid Inspiration (Cyber Grey / Phantom Black Two-tone)

The exclusive, advanced infotainment system and other convenient features give the Kona Hybrid a unique space and deliver an unparalleled driving experience.

Exclusive Features of the Kona Hybrid
Drivers of the Kona Hybrid now have a wider range of features, including driving data, fuel economy and energy flow at their fingertips, and an “Eco” driving mode. Enjoy a smarter, more pleasant driving experience.

* The images of the Infotainment System screen are subject to change due to regular updates.

19.3 Combined Fuel Economy
km/ℓ (16” wheels)

1. Lithium Polymer Batteries
An integrated battery system installed under the rear seats reduces weight and frees up more trunk space.

2. Permanent Magnet Motor
A permanent magnet motor delivers auxiliary power to the conventional engine and integrates with the automatic transmission for better driving performance and greater fuel efficiency.

3. Regenerative Braking System
During deceleration, kinetic energy is converted into electric power to charge the battery, which is then used to give you more fuel-efficient acceleration.

4. Integrated Electric Booster
Integrates hydraulic power and control units and uses motor-driven, electronic controls to deliver smoother braking.

Multi-link Rear Suspension
Multi-link rear suspension minimizes the transmission of vibration from road to vehicle, providing comfort and vehicle stability during high-speed, sporty driving with sharp cornering.

Kona Hybrid Exclusive Aero-wheel & Tires (205/60R16, 225/45R18)
A wheel design that reduces aerodynamic drag and fuel-efficient Michelin tires that increase fuel efficiency.

Maintain a constant speed to drive more efficiently.
-The fuel economy described above is based on the standard model and may differ during actual driving depending on road conditions, driving technique, cargo load, vehicle maintenance, and outdoor temperature. -Some of the images presented here include optional specifications, so their appearance may differ from the car you purchase. -The specifications, colors, and sources presented here may be modified to improve vehicle exterior and performance. -The engine performance described above is the "Net Number," a new measure reflecting exhaust resistance that complies with legislation enforced by Korea's Ministry of Land and Transport since 1997. It can be marginally lower than "Gross Output Number," the previous measurement. -Leather seats include some synthetic leather. -Vehicle colors presented here may differ from actual appearance. -Some specifications may not apply to rental cars. See the corresponding month's price list for more details. -All of the measurements in this brochure apply to the gasoline- and diesel-powered models. Therefore, the specifications and the features of the LPI-powered models might differ. -Hyundai Motor Company sells cars only through its branches and designated dealers. Hyundai Motor Company is committed to fair trade practices, with the same price and quality of vehicles nationwide. -Use of non-genuine parts (such as engine oil and transmission oil) or poor quality fuel may severely damage the vehicle. -For more information about the new technologies and specifications described in this brochure, please refer to a user's manual.

The images presented here are intended to inform customers and display the best models and options. The specifications described above vary by option, package, powertrain, and exterior color. For specification details by model, please refer to the monthly price table.

The advanced technology of Hyundai’s BlueLink system helps keep both the driver and the vehicle safe in any situation. BlueLink is always there to keep you safe, regardless of the location or time of day. Experience the unique joy of safe and comfortable driving.

Remote control

In the extremely hot summer or cold winter months, you can link your smartphone to the air conditioner or heater to set and control the temperature inside the vehicle. Enjoy a pleasant driving experience with BlueLink.

Safety security

The BlueLink Center works 24 hours a day, 365 days a year. If an airbag opens due to an accident, the Center automatically detects your location and takes appropriate actions according to the situation, such as contacting the police, ambulance, insurance company, etc.

Vehicle management

Services include real-time trouble detection while the vehicle is running and regular vehicle inspections on pre-arranged dates. In the event of vehicle trouble, immediate professional consulting is available, and you may conveniently make reservations for repair at the time and location of your choice.

Navigation

This function enables the driver to conveniently search for destinations through voice command and suggests optimum routes based on an independent analysis of real-time traffic information. The driver can search a database of upto-date information to find even newly created destinations.

* Free of charge for five years for customers who have purchased a vehicle and are applying for BlueLink membership for the first time: Remote control, Safety security, Vehicle management, Navigation.

* Inquiries: Blue Link Kakao Talk Customer Service Center (enter "Blue Link" in Kakao Talk search screen and add as friend)

* Aftermarkets for Customized H Genuine Accessories: N Performance Parts Mall (www.Nperformancemall.com), H Genuine Accessories Mall (Hgenuinemall.com)
